Core Competencies

PM Jenkins Group-Professional Management Services LLC DBA W4 Construction Group supports the Department of Defense in it's mission *to provide combat-credible military forces needed to deter war and protect the security of our nation* by providing:

- Design Build Construction Services
- Access Control Systems/Intrusion Detection Systems (ACS/IDS)
- Solar Photovoltaic Systems
- Design and Installation of Fire Alarm & Mass Notification Systems
- HVAC Installations
- Roofing Installations and Repairs
- Design and Installation of Mechanical/Electrical/Plumbing (MEP) upgrades
- Renovations
- Anti-Terrorism Force Protection (ATFP) Installations
- Rehabilitation to meet current codes
- Marine Construction Services
- Dredging

Differentiators

- **Bonding: \$30 Million, Aggregate \$15, Million, Single**
- 50 Renovation projects completed
- Awarded 12 IDIQ (SABER/MATOC/JOC) contracts since 2016 with extensive task order experience
- Experience working in high secure environments
- All projects completed using the W4 Construction Group Proven Process
- Key team members hold OSHA 10, OSHA 30, and OSHA 50 certifications
- Familiar with the safety and paperwork requirements for projects completed for USACE, NAVFAC, Dept. of Army

Company Data

W4 Construction Group specializes in construction project management, facility management, and facility maintenance with extensive design build experience in building renovations, electrical contracting, and telecommunications along with self-performance capabilities covering all trades.
